“ Sorry to here about Al's death. I graduated from Harry Ells in 1962 with Al. Al, Mike Yarnell who died a couple years ago and Ken Rodia who also passed all went out together. I knew his parents very well, Al and I would get together and listen to his Elvis Presely records and go "drag the main" on McDonald Ave in Richmond in his black Chevrolet. Al was such an easy person to be around, We stayed in contact for awhile then we just lost touch. I had him over a couple times when I lived in Pinole for dinner then we move to Vacaville and we just lost touch with one another. So sorry to hear about his death.
