“ I knew Andi for a little over 14 years. I just loved her laugh ! We went to jazzercise at the same time and spent most of the time being silly. I help her with a weight loss program once and we shared a lot of things with each other. She will be greatly missed. I always believe when some is taken too early means they are in need of more ANGELS !!! Rest in Peace Andi

“ I remember the day when we all gathered to take a family photo and I sat on Cousin Andi's lap. She was the only one who could comfort me. I love you so much more than you know. Always had a great time with her and I loved her handmade jewelry. Shine down and watch over the family.
