

Elizabeth K. Bobitt

October 23, 1924 - February 2, 2016

Elizabeth K. "Betty" Bobitt passed away Tuesday in Benicia following a brief illness. She was born in Fargo, North Dakota and was a 3rd generation descendant of her Norwegian American heritage. She was proud of "her town" - Benicia, and she lived there for 68 years. She was a registered nurse and came to Benicia in 1945 with her family and then worked at the Benicia Arsenal Medical Dispensary. Later she worked as an RN at C&H Sugar in Crockett, Vallejo General Hospital and the Benicia Pre-school. She retired in 1976.

Betty loved Benicia and all it's people. She especially enjoyed working, promoting and supporting Benicia through the years with the public, civic and private organizations for the betterment of all of Benicia.

Betty was a homemaker, an avid reader and was a charter member of the first "Friends of the Library". Betty was fond of her neighbors on Francisca Court and has remained close all these years where she had many lifelong memories. Betty had an enormous sense of humor and remained with her all these past years.

Betty is survived by her son Tim; daughter Leslie (Doug) Wingert; sister Marilee Miles) Jordan; her sister in law Olive Johnson; nephews Eric Johnson and Steven Carlisle; great niece Katie Johnson Rusch; grandchildren Jenny Wingert Perez and Sarah Wingert; several grandchildren and several close dear lifelong friends including Gary & Pat Wyatt, Ed & Isaura Cabral and Lupe Marquez. She was preceded in death her her husband Earl in 1997, her parents Carsten & Katherine Johnson and three brothers.

At her request, no services will be held. Her wishes were to have her ashes scattered in the waters off the Benicia. The family prefers that donations in her name be made to the Benicia Community Action Council or any other organizations that help the citizens of Benicia. Special thanks and recognition and appreciation to Evelyn Bayon and the wonderful people of Benicia Angels Care Home and the Vallejo Kaiser Hospice program.

“ I remember Betty when I was a child, as extremely funny, kind, and a companionate person. She would check on her elderly parents twice a day, you could set watch by Bob, in his yellow car pulling up in front of Kate and Carsten's house. I could see them from my bedroom window, two houses down the street. I would run down as often as I could to be in her presence because she made me feel so good and made me laugh!

I want to send my condolences to Leslie and family, and to Tim.

Fondly, Bobbie Lynn
