Geoffrey B. Fink

March 12, 1949 - September 13, 2014

Geoffrey B. "Jet" Fink, 65, of Benicia passed away suddenly Saturday doing what he loved, riding his bike in the Benicia State Park. He was born and raised in the SF Bay Area and has lived in Benicia since 1977. He worked as an Electrician and was a member of the I.B.E.W. for over 35 years.

Geoff graduated from Clayton Valley High School and received his B.S. in Microbiology from UC Davis. He loved hiking, golfing, kayaking, gardening and photography. He was a dedicated craftsman who enjoyed building and designing -- his latest projects were at the family cabin in the Sierra Nevada Mountains. Geoff was hard-working and dedicated in all of his endeavors. He volunteered his time for many charitable and political causes and was an animal and nature activist through and through. He will be missed for his sense of humor, his enthusiastic spirit of discovery and his devotion to making the world a better place.

Geoff is survived by his best friend and life partner, Beverly Kraut; daughter Natalie Smith and her husband Branden; son Miles Fink and his wife Paget; sister Karen Fullerton and her husband Les, and his beloved granddaughter, Vivienne Smith.

A celebration of his life will be held on Sunday, September 21st from 2 PM to 5 PM at the Benicia Yacht Club, 400 E. 2nd St., Benicia, CA 94510. His family welcomes all who wish to celebrate his life to attend. As an expression of sympathy, memorial contributions may be sent to The United Way. “ my name is Terry Estrada, Geoff and I met in the electrical apprenticeship in the early 70's, we became friends and commuted to classes, and studied together. we played some tennis, chess, and ping pong, he hated to lose. we had a lot of fun doing other things together. we worked together on a few jobs, always having a good time. Geoff was a very conscientious worker. unfortunately we have not seen each other in a while, but I will always remember his feistyngness, and love for his kids. He will be missed
