“ *Mark was a wonderful son. He had a wonderful smile that would light up any room. He had a heart of gold. He didn't know what a stranger was.....he would talk to anyone (I guess you can say he got it from me, his mother). He has been gone for almost 2 months and is missed so much. He would give you the shirt off of his back if you needed it. His Great Grandmother would tell me, "he is just to cute, he needs to be a baby model". Mark has always made me very proud to be his mother.*
