

Nellie M. Morgado

November 17, 1940 - June 30, 2019

On June 30, 2019 Mom passed away at home after a long battle with cancer. Mom's life and her struggle with cancer were full of courage, strength and a great sense of humor. To say that she was a feisty "Irishwoman" is an understatement.

She was born in Springfield, Missouri to Mamie and William Brayfield. Like her sister before her, Mom was born at home and named after the aunt/midwife that helped in the birth. The family moved to the Bay Area following the outbreak of WWII and her father worked as a welder at the Richmond Liberty Shipyard.

Mom married the love of her life John Morgado and graduated from El Cerrito High School in 1958. Mom was devoted to raising her kids. Whether it was homemade clothes, Halloween costumes, den mom for Boy and Girl Scouts, dance or team mom for sports, she always made sure that she was a part of her kids' activities. In addition to being a wonderful, wife and mother, Mom had a professional career as well. She worked as an administrative assistant at the Berkeley Radiation Lab, as a Legal Secretary, and as a court transcriber. After moving to Benicia, she became a Realtor and continued to work in real estate for more than 20 years. Mom and Dad lived in Richmond, El Cerrito, Pinole and finally settled in Benicia in 1974.

Mom and Dad enjoyed traveling. Their two favorite destinations were Disneyland, where they shared the joy with their children and eventually with their grandchildren; and, of course, their favorite getaway was Hawaii. Dad would enjoy the surf while Mom covered herself in sunblock and stayed in the shade to just relax. Mom loved baseball and the Oakland A's. Even as her sickness progressed, she still mustered the strength to attend Spring Training and enjoy her season tickets.

Mom was preceded in death by her husband of 51 years John Morgado, parents Mamie & William, and brothers Charles and Mitchell. She is survived by her sons John (Gail), Anthony (Jessie) daughter Anna, grandchildren Ryan, Andrew, Lillian, Rachel, and Bethany. Mom is also survived by her sister Charlotte, brother Michael, and her numerous

nieces and nephews.

Mom will be greatly missed, yet we are all consoled by a lifetime of love and memories that we have to cherish and share in the years to come.

Our family would like to extend our gratitude to Mom's wonderful team of caregivers: Virna, Paula, Melissa and Jessie. We also would like to thank Diablo Valley Oncology, our Hospice Nurse Preet and the entire Vitas Hospice team for all their support.

Visitation will be at Passalacqua Funeral Chapel after 4:00 p.m. Tuesday. The family prefers donation in her name be made to St. Dominic's School, 935 East 5th Street, Benicia.

“ My deepest condolences to John, Anthony, Anna, Gail, Jesse and all of Nellie's grandchildren and her family. I've known Nellie my entire life. Some people live a life so large it is hard to believe they are gone from the physical world.

One of my fondest memories, Nellie agreed to be our realtor and helped my husband and I purchase our 1st home and then later our second home. I will never forget piling into her car driving all around Vallejo and getting lost (pre-GPS). We laughed and laughed, and eventually found the home she had wanted to show us. I was not crazy about the house, but the next day decided to put in an offer, that night she presented the offer to the sellers and their agent at the home. She called me after presenting the offer and said "Barbara! you thought the view from the back yard was great during the day, wait till you see it in the evening and at night, it's incredible." she was right! That was 25 years ago and we are still there.

God bless you Nellie may your rest in peace, for the Morgado family I am so sorry for our loss, may the peace of the Lord be with you. I so want to be there next week to pay my respects, but my husband and I will be traveling. Love to you all Barbara (Horvath) Schilz
