“ Grandma Pat was a unique woman and I'm so glad Grandpa Doyle saw her great qualities. She was patient and kind, giving and selfless, consistent and true. Her hair and make up never changed.

She so was so proud of her grandchildren Valerie and Pamela and daughter Linda. She glowed talking about them. Only now do I understand what that feels like.

Her love of humming birds and cats was so sweet, she saw the softness and complexity about them. I am thankful for her steadfastness and gentle nature.

I am blessed with many strong women in my life to change the way I see the world and family. She will be an ever lasting impression on my life, I only wish I knew her deeper.

Forever loved,
Deanna "Cambron" Corzo

“ I am so very sorry for your loss. I met Patricia on fb. She was always cheerful n happy. We use to chat all the time. She would always let me know how she was feeling. She is a sweet lady. I felt bad towards the end. She will always have a special place in my heart. I'm thankful she is out of pain. May God be with her family. My prayers go out to you. God be with you all.
