“ I am very sorry for your loss. It saddens me to lose a fellow member of the EMS family. It makes me look forward to what the Bible says at Revelation 21:4. There it says that the God of all comfort will soon do away with all suffering, sickness, tears, and death. But even more than that, I look forward to the promise at Daniel 12:2. It may put us out of business, but we all no doubt look forward to seeing our loved ones again. Until then, may your loving memories of Robert bring you solace during this difficult time. Your family has my sincerest condolences.
