“ I have fond memories of my Uncle Roger, Aunt Ruby, Terry and Tommy. Always looked forward to their visits to Alabama. So happy I got to spend some time with Aunt Ruby on her last visit here. I know she is so happy to be reunited with her family in Heaven !!

I can only imagine !! Fly high and I love you.

“ My Aunt Ruby was the best. I remember as a little girl and teenager how beautiful she dressed for work. She was as down to earth as you get. I always got tickled when she came to mom's and mom would fry okra or squash. Aunt Ruby was like a little kid, she could not keep her fingers out of the skillet. She was too busy sampling. How she liked those vegetable and okra was one of her favorites. My family & her family had great times together. We had fun doing the drag strip together. That was an adventure of Uncle Roger's and Uncle Jim's. I loved standing at the gate and helping to take up the entrance fee with Aunt Ruby. Saturday and Sunday drag racing. I was so glad I got to come back to California to visit Aunt Ruby, Terry (Peggy), & Tom about 4 years ago. I was equally delighted to have Aunt Ruby, Teri Lyn, & Peggy to come back to Alabama last year. I needed that as well as Aunt Ruby. Nothing like home in the South. What a wonderful time together. I know the families' hearts are breaking right now and you will miss her a whole lot. Take comfort that she is no longer hurting and all is well with her soul. I know she is having a good time in Heaven with all those Dodds and Bartons.
