“ Linda & Family,
I am so sad to hear of Steve's passing. We've only known you both for a few years now, but we have always enjoyed the time we have sat and talked with you both. Steven liked going with Steve on jobs and has always thought so highly of him. I liked hearing Steve's stories and wisdoms, and he always offered us so much advice. Brandon liked when Steve was around and they would talk and joke around and I love the fact that Steve shared his love for drums with Brandon. He was a one of a kind man who will truly be missed. Sending you and your family love at this difficult time.

“ Linda and family,
We are so sorry to hear about Steve; he was quite the character and Mark wished he had been able to accompany him to Sturgis this year. He was a sweetheart and he did a lot for our family over the past couple of years, not to mention everything you have always done for all of us. He has left a rich legacy of memories, to be sure. Love to you and your family.

Always,
Martha and Mark Carlston

“ Dear Linda and family,

We just heard a short while ago of Steve's recent heart attack and death. We are grieved to hear this news and wish to convey our deepest sympathy to all of you and especially to Linda whom we have met. Steve did a beautiful job on our porch which needed to be torn out and rebuilt almost from scratch. He often spoke lovingly about you, Linda, and his family. He became more than a "service provider", Steve became a friend, a trusted friend. May you all be comforted in your sorrow and pain. God bless you!

With love,
Mary McCurry and Diane Dawes, Rancho Benicia, #114
