“ I am sorry to learn of Mr. Francis passing. He was my long time customer in Benicia's Supermarket. He'll always come by with a gentle smile, and has never given me any issues. At times, he'll make a borderline flirty eye, haha! Over all, he's a sweetheart of a man. I will always remember Mr. Francis, because he was a Gem. Condolences to his family.

“ I will miss Bill so much . He was such a fantastic man. I enjoyed my visits, and his memories of the family. He always brought smiles to my face. He was such a happy man. He talked of how much he loved his family . He talked of how special it was to have his sister Beverly, and Laura his niece. He told me he felt like a dad to Laura and how special that was to him . Laura and Beverly were there next to him through everything, and he said he was so blessed to have them . He also spoke so highly Arnuefo, Greg and Michelle, Mike and Luly, brother Richard, and so many other family members . He felt so loved. and I know he was at peace when he left this world to be with Nina again

“ Dear Beverly & Laura,  
God received another beautiful soul through his gates in Heaven. Bill was our Patriarch and I will miss our many conversations we shared over the years. May you find comfort knowing he is with his beloved Nina. He missed her terribly these past 7 years. Bill entertained all of us with "antics" he shared of our parents, uncles and aunts when they were young. We were bless with his fantastic memory and family history. I will miss his huge smile and hugs and memories of this beautiful man. Rest in Peace Cousin Bill.
