Miss Alga was a special lady. Having grown up next door with Susie and Carol, I was included in many events, such as trips to the Delta and Half Moon Bay, but my very favorite was making Christmas cookies with them. We girls would sit around the kitchen table and decorate the sugar cookies Miss Alga would make. She made the best cookies ever and I wish I had her recipe. I've never been able to taste any as good as hers, but maybe it wasn't the cookies but the warm, loving and fun environment she created. She will always be such a big part of my childhood memories, never to be forgotten. I love you Miss Alga, Laura Brimmer Fishe. ❤️
