April 24, 1973 - September 1, 2022

On Thursday September 1, 2022, Alicia Marie Stephens Raffel, loving daughter, wife, sister and friend passed away at the age of 49. Alicia was born in the USA, on April 24, 1973 to Gail and Alan Stephens (for those who knew her, you would know she would chuckle at this Bruce Springsteen reference). In her youngeryears she was quite the free spirit who enjoyed the company of her friends and visiting Dillon Beach. As an adult she was best known for her kind and compassionate heart. Alicia took joy in entertaining and had a passion for cooking. She married the love of her life Dr. Richard Raffel on July 6, 2004 who she met working at Kaiser. Since that day they were inseparable, starting what would be the Raffellove story with many chapters of their lives traveling around the world. Alicia was preceded in death by her mother Gail and is survived by her husband Richard, father Alan, sister Danielle, niece Emerald and several aunts, uncles, cousins and her many friends.

“ I remember the day we met at Kaiser many many moons ago. Even though we had not been in contact for many years when I learned you were gone it hit me hard. I will remember you fondly old friend...till we meet again.

“ Miss Alicia: As a fourth grader, you were light and sunshine in the classroom. I told your Auntie Jan, that you reminded me of this little lovely butterfly flitting around the garden tending to each and every flower. May you continue your magical journey and fly to your loved ones whom I'm sure are waiting with open arms.

“ I'm a good friend to Alicia's Aunt Judy. I remember that Alicia and her husband hosted a lovely memorial service when she lost her mother Gail, Judy's sister. I'm so sorry to hear of her passing and wish to express my sympathy.

“ I've loved you since the minute you were born. I was only 11, but you were this precious little bundle of smiles and sunshine and I fell in love. You were so fair haired that you looked bald for your first year, but your beautiful, always present smile made you gorgeous to me. As a baby and a small child you were so easy and happy. Alicia, I can't believe you are gone and my heart is broken into sad pieces. You were an amazing niece, so generous and kind. We shared the sadness together of so many other family members, and now you are gone too. I just know you are having a cocktail with your grandma, both grandpas, Uncle Richard, Cam, Arthur and most importantly, your mom. Cheers sweetie! I will love you forever.
