“ *Gone, but never forgotten.*

“ *I met Angela as a child, and would play with her daughter. I remember that we would go to Angela's shows and anger the older patrons by dancing in the aisles. I am so glad that I got to see Ms. Angela as an adult as well when she came to the east coast. I loved her larger than life spirit, confidence and inner beauty.*

“ *I was so sorry to read that Angela passed away. I first met her when she was a patient in Berkeley where I worked. She was such a sweet person and I had the pleasure of attending one of her concerts in Oakland and sat next to her chiropractor. I have thought about her through out the years and read that she had a couple of strokes. May she rest in peace and sing beautifully in heaven.*
