“ *Barney and I were roommates in Minot AFB in North Dakota in 1967 & 1968. What a great guy he was. I had been trying to find Barney for a long time, and was sad when I find him to late. He was from NYC and I was from N J and our other roommate was from Mississippi. Barney and I got each other. Dean, from Mississippi didn't quite get us. We did enjoy our time in North Dakota and were really happy great friends. I miss him.*

“Loved how Bernie loved being Irish! So glad he got to take Chris and Kelly to Ireland and showed them where his Mom lived and got to enjoy a great trip there with them! And passing on that Irish heritage to his kids and grandkids!

“I worked for Bernie at John Hancock when he first moved here. He was a good man to work for. I have always remembered his kindness to me when I lost my spouse in 1985. He was supportive and compassionate and I will never forget.

*Please accept my sincerest sympathy. May your memories bring you comfort.*

*Jackie, on behalf of my mother and I, we thank you so much for your kind comments. My brother and I would come by the office from time to time when we were children and I worked with my dad a couple summers in the late 1980's. I am sure we met at one time. I always enjoyed meeting people at my Dad's office. My mom and I are both wondering how long you worked with my dad.*
