“ *I will always remember Betty's infectious smile and the twinkle of mischief. She was truly one of my classmates who was someone I wanted to be more like. Kind, gentle, caring and a true friend. God's speed to your final destination and condolences to her family.

“ *She had an infectious smile and was full of fun and laughter. Over the years I was able to share in a number of memorable moments - and will always remember them. Such a loving family - thanks for letting me be just a little part of it.

“ Those from her era know her as Betty Lou and there is/was only one Betty Lou from and in Benicia last names used Lewis/Sloan/Vein. So sad to hear of her loss many fun memories of her and with her thru the years in Benicia that will always be remembered. May God give her family peace and strength to get them thru these difficult days of her loss and in the days ahead adjusting to life without her here with them. Betty Lou you will always be remembered for the fun, loving, caring person you were. Rest In Peace Betty Lou
