

Brion E. Lasalle

July 31, 2011 - September 15, 2011

Brion E. Lassalle

July 31, 1961-September 15, 2011

Brion E. Lassalle, 50, of Benicia, California passed away Thursday, September 15, 2011. He is survived by his wife, Terri, of 33 years, his daughter Quartney (Malcolm Duvall), his grandson, Evan and his niece and nephews Amber, Ryan and Michael who are the children of Brion's sister, Candy who preceded him in death in 1985. He is also survived by his parents Eugene and Bobbi.

Brion worked as a tile setter for 31 years and ran a successful business. He truly was a craftsman and enjoyed what he did and worked so hard to always provide for his family.

Brion's passion in life was his grandson. He was so proud of Evan and loved spending time with him. They were best friends and "Papa" would do anything for his "Big Shot."

If he wasn't spending time with his grandson, Brion loved to be on his bike, "smoke 'em till the wheels fall off." He enjoyed going to Cache Creek, motorcycle races and most of all doing projects for Evan.

He loved his family more than anything. He was a wonderful husband, father and grandfather. We are all very close and have many memories filled with lots of love and laughs. We are so proud of the man he was and honored to have had him in our lives. We will miss him and love him more than words can say. May you rest in peace and now it's time for you to be with your sister. We know we always have an angel protecting us and watching over us.

It is said that a person born on July 31 is: strong in times of adversity; once you make up your mind to accomplish your goal, you go straight ahead; you can be stubborn, but you are also dependable and loyal.

Inurnment will be private and a Celebration of Life will be held on September 24 1-4pm at the BDES Hall 140 West J Street, Benicia. Memorial contributions are preferred to the family in lieu of flowers.

CS

“ Dear Terry and family, I am very sorry to hear of Brions passing. He was a mans man. We did three projects together at my house and each one is a work of art from a man who knew what tile layout meant. More then that, we became friends and I so loved Brions humor, and little sayings. One of them was, " A man should give an honest day of work for an honest day of pay." He always did that. He was a good guy and I will miss him. Chris Sutterley
