

## Bryant E. Burleigh

December 29, 1938 - December 22, 2019

Bryant Burleigh, 80, of Vallejo passed away peacefully Sunday after a lengthy illness. He was born in Redlands, California and lived in Vallejo since 1962 and the same house for 53 years. Bryant was a graduate of Caly Poly San Luis Obispo and he worked as Mare Island as an Architectural & Noise Engineer for over 33 years. He later worked for Ocampo-Este Engineering in Vallejo.

He was past president of the Solano Sunset Rotary Club and an avid stamp collector. He loved traveling, including several cruises to Panama and Alaska and spending time with his grandchildren.

Bryant is survived by Liz, his wife of 53 years; sons Steven (Erin), John & Alan; sister Lois Pokorny; brother Tim Burleigh and grandchildren Jake, Sam, Isabella & Sophia. He was a kind, simple, thoughtful man who never had an ice cream that he didn't enjoy.

The family wants to thank Kaiser Hospice and the staff of Providence Home in Vallejo for the wonderful care they have given him.

Memorial services will be held after the first of the year at Mare Island. Details will be announced at a later date. As a tribute to Bryant and his love of Mare Island's history, his family suggests donations be made in support of the USS

Vallejo Sail Project. Donations to this project can be made to: Thomas and Karen Leonardini Community Fund, 1301 Allyn Ave., St. Helena, CA 94574, in memory of Bryant Burleigh.

“ *We will miss our across-the-street neighbor, Bryant--talking with him was always uplifting. After enduring so much for so long now Bryant knows the Peace that is the promise of Christmas. May his family who will miss him more than we can know, feel consolation in knowing that he was a wonderful man.*
