

Calvin Fisk

November 14, 1944 - April 9, 2024

Calvin R. "Butch" Fisk passed away peacefully at his home in Benicia. He was born in Stroud, Oklahoma and was a die hard Oklahoma Sooners fan. Calvin worked as a pipeline welder and had 49 years with Steamfitters Union Local #342. Calvin was a veteran of the United States Navy from 1964-1966 and he is featured on one of the banners on First Street as a local veteran.

Calvin loved his hot rods, especially his 1953 Ford Pickup which won an award at Hot August Nights in Reno in 2015. He also loved NASCAR, drag racing, fishing, pheasant hunting, camping, taking an occasional trip to the casino, rooting for the Giants, Kansas City Chiefs & Golden State Warriors and spending as much time as he could with his family especially his grandchildren. Calvin also enjoyed Fast Fridays motorcycle racing in Auburn. He was always ready and willing to help anyone in need and will be remembered as a great storyteller. One of Calvin's former cars, a 1957 Pontiac, is painted on the mural at the corner of First and H Street.

He is survived by Janis, his wife of 59 years; sons Scott & Brad Fisk; sisters Ronda Madrid & Sharon Hughes; his grandchildren Anthony, Alena, Bradlee, Kaylee & Niko; and his great grandchildren Mavrick, Nixon, Lux, Olivia & Jayce.

Memorial services with the Masonic Lodge will be held 1:00 p.m. Wednesday

at Passalacqua Funeral Chapel. Burial will be private.

“ I met Calvin 33 years ago at the 342 pipeline school which is now the union hall. I showed up there every day 7-12s for 4 months before he asked me my last name and when I told him Troy Dornan he was upset with me because our families knew each other and he would have put me to work sooner. But he taught me a lot and always treated me with a great deal of respect and love and I loved him right back. He dispatched me to my first job and bought me my first welding cap, which I still have! All my love, prayers and respect to Calvin and his beautiful family!

Calvin was a unique anomaly, stepping in as father figure I never knew I needed. His past tales carried hidden lessons, delicately crafted to guide and enlighten were rare in today's fast-paced world Calvin's humor held profound depth often overshadowed by laughter he cleverly addressed fools while, making them laugh, a subtle gentleness revealing his immense heart and soul. His legacy lives on in those that saw beyond the humor understood his stories and recognized his foresight. Though Calvin's left us, his wisdom endures, etching his. Legacy into the hearts of his family. Godspeed, my friend Derrick

What can you say about Calvin Fisk that everyone already knows about him. He married the love of his life and raised a beautiful family. I never got a chance to work with Calvin but I did get a chance to work with his sons. Scott and Brad two of the best people you could work with forward for but also had the opportunity to work with Cail and grandson Anthony & Bradlee and you can tell they were a Fisk and there is just as hard-working as her father and we all know that their grandfather, Calvin I really don't have any stories to tell about Calvin I just know where he treated me like I was one of the his kids and I'll never forget that. Calvin you'll be greatly missed. I love you and your whole family. Thank you for let me be in your life. Love Louis Thomas (a.k.a. L.T)
