“ *My sons, Jonathan and Norm Hoff, and Mark Spring were good friends with Carlos. He'd been to our home numerous times and he felt like one of my own. He could fill a doorway with his body and yet was such a soft spoken, gentle man. A true gentle giant.*

Carlos even acted as bouncer at Norm's High School graduation party. Back in 1987 Benicia was having trouble with 50, 75 and even 100s of party crashers showing up. Carlos volunteered to keep intruders at bay, saying everyone liked him and he could cajole crashers to leave. He could, and did and In my book was a wonderful man. He will be sorely missed.

My thoughts and prayers are with his family and many, many friends.
