“ Growing up just 2 doors down from Carol I have many memories. She would take us kids (daughter Kathleen Shipley and nephew Brian King and myself) to 9th St beach every summer. Carol was a great dear friend to my mom Diane Clyma for over 50 years. Carol always keep in touch with us after moving to Oregon. She is greatly missed.

“ Oh I just heard that Carol passed. I am so sad that I didn't know. But so glad that she and I reconnected and that she was able to share her condition, and talk about it together. She was so blessed to have her daughter with her these past several weeks. She loved having her there, and loved her and her family so much. My heart goes out to her children. God bless❤️☐
