Carolyn and I went from Kindergarten through BHS together. We went "riding around" and "dragging the main" (that's really what we called it)! We could do this every night ☺, because gas at Lavezzo's was \$.24 a gallon, and we could smoke because cigarettes we \$.19 a pack at the Shell station in Vallejo.

There wasn't much do in the 60's but, we made it work.

She was quiet.....but, she was mighty. We had a lot of laughs together.

My condolences to her family. BL
