“ *Dear Uncle Dave,
Words cannot express the sorry and loss that is felt. Aunt Kay was a true inspiration, and I am so honored for the time that I got to spend with not only her, but you and my Cousins as well.*

I know she is looking down on all of us, and will give us the strength we need to get through this difficult time. I enjoyed learning about my family through the stories she shared, when you guys traveled back east a few years ago.

I know that she is at peace, and I hope that you and all of my Cousins can one day find that same peace.

*All my love,
Tina*

“ My condolences go out to the Sears family. I only knew Kay a short time, and I delighted in her stories. There was never a dull moment when we spent time together. We also found ourselves interested in many of the same things. One thing we shared in common was our love for teaching teenagers. Kay always made me feel welcome especially in her providing copious amounts of delicious food. One Halloween Catherine made jack-o-lantern grilled cheese sandwiches for the kids that were out of this world. May God bless all of Kay's family, and may her soul rest in peace.
