January 24, 1966 - October 8, 2012

Born on January 24, 1966 in Altoona, PA, Chuck moved to Williston, FL in 1980 where he graduated from Williston High School in 1983. Chuck joined the United States Air Force in 1984, serving in Athens, Greece and various US locations. In 1999, Chuck earned a Masters Degree in Science from the University of Nebraska and was certified as a Physician Assistant. He retired from the Air Force in 2008 after 24 years of service. Subsequently, Chuck worked in various medical facilities in the Northern California area, including most recently his "dream job" in the Emergency Room at Sutter Medical Center in Roseville, CA.

Chuck is survived by his wife, Colleen Marie Butler; two sons, Andrew Sterling and John Michael; two sisters, Melissa (Tom) Janocko of Clearfield, PA, and Linda (Darryl) Etheridge of Williston, FL.. brother-in-law Gary (Debbie) Butler, sister-in-law Lori Alvarado, parents-in-law Gary and Flora Butler; and several nieces, nephews uncles, aunts, and cousins. He was preceded in death by his father, Charles Gary Butler Sr. and his mother Nancy Regina Maloney.

Chuck enjoyed everything about nature including exploring the beach and

sailing, but most of all he enjoyed sharing all of that with his wife and two wonderful sons.

He will always be remembered for his dedication to his profession, the level of care he provided to his patients, but, most of all, his kindness. Special note: Chuck enjoyed sharing gummy candies with everyone he encountered.

Memorial Services will be held 1:00 p.m. Saturday, October 20th at St. Dominic's Church, 475 East I Street, Benicia, CA. In lieu of flowers, memorial donations in Chuck's name can be made to the Rocklin High School football program (Rocklin, CA) or the Monterey Bay Aquarium (Monterey, CA).

“ *My deepest condolences to the family of Chuck Butler. I am Chuck's cousin Sandy and I still live in Altoona,PA. Chuck and I were born two days apart, although it has been many years since I have seen or talked to anyone in Chuck's family, I still think of them once in while. I am deeply saddened that Chuck had to be taken at such a young age. I think I can speak for the entire Maloney family by saying that so many of our family members have been take from us way to early. My mother Rose was one of them taken at the very young age of 45. Hope everyone else is doing well.*

“ My sincere condolences to your family during this time of sorrow. May loving family and friends help carry you through your grief in the days ahead and may the God of all comfort soothe your heart with his promise of a future resurrection back to life. Jesus said, "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out!" Until this promise is fulfilled may you draw close to God because he cares for you.--John 5:28, 29

“ I worked with Chuck in the MIIC at Kaiser in Vallejo from the first day he joined us. He was always great to work with -- great with patients, level-headed when we got overloaded, and fun to be around. We loved sharing pictures of our kids, and Benicia stories. He is missed. My greatest sympathy to his family for the loss of this loving man. Wendy Brody, MD
