“ *I have so many memories of Chris and going up the long hill to her house that I will never forget. We had a good friendship and so many good times and laughs. May Chris rest in peace with her Dad who she loved so much.*

“ Wishing I could hug you one last time. Going to miss all the laughs & good times we had growing up. You were the Big Sister that I never had. I learned so much from you & you will be forever in my heart. I will always remember you telling me to "Always remember how much you love me", never to forget it". I am holding on to this. This is what is keeping me going & trying to be strong. I'll always have you close to my heart & I feel good that you are finally at peace in heaven. Sending you the Biggest Hug from heaven, Love you so much XOXO
