“ *Dear Diane, Frankie and Family,
Your Mom was not only a special part of our family, but she was my Godmother and sang at my wedding. She was blessed with such a beautiful voice! I have a lot of great memories of her from early childhood (like the Jello poke cake she would make which is still one of my favorites!) and our engagement party which she hosted at her home. Artie and I were so happy that we were able to visit with her when we made our trip to California... I hadn't seen her in so many years and remember that she cried when she saw me and so did I ❤️. I know that she is joyfully reuniting with your Dad and my Mom and so many other family and friends that have gone before her.
With sympathy,
Cathy (and Artie) Brennan*

“ Dear Diane, Frankie, and family,
Mom and I are so sorry to hear about the passing of your wonderful mother. Mom considered her cousin Clem not just family, but her dear and much loved friend. They remained in touch all these years and would speak frequently on the phone. They had so many memories to share together.
I especially remember their close group of friends going out to dances and your Mom and mine in their beautiful gowns and long white gloves! "Clem and Toni" were blessed to have had such a strong and loving relationship that lasted all their lives. We send you our deepest sympathy.
Sincerely,
Toni Bruno

ME

“ Dear Clem, the days and years fly by and we cling to the memories we hold dear to us. Climbing those choir stairs and having enough wind in our pipes to sing praises to the Lord, that was a fete! We were a beautiful choir then (no offense to any current choristers...) and we all knew it, and were quiet proud to be special to the 11 AM parishioners of St. Dom's---and for other special feast days during the year. Then we had our special get-togethers to enjoy too. I'm sorry your illness took you just far enough away so that we did not visit. We hold your special place our hearts - and know you are singing your heart out in heaven. To Clem's dear ones and all her friends my deepest sympathy for your loss --- but a giant thank you for the wonderful person she was!
