“ *Lee was a very special lady. She was a kind and welcoming presence at family gatherings. I met Lee when I was about 16 and she made me feel so comfortable and included. She always had a bright shiny smile and loving disposition. She will be dearly missed. We extend our thoughts and love to her family.*

“ Always will remember her gracious ways. Lee made us feel special, showing interest in our lives. Her sweet smile and accepting ways, happy to see you and please come by again soon.. no matter how she was feeling. We will miss you Lee, may the healing of loss, wrap around the family. Just as Lee wrapped her arms around you, and you just knew..she really cared..

*Such a beautiful lady with a beautiful spirit, I met Lee in the early 60's, we both attended the Church of Christ, [ my family was new to the community], She and her family welcomed us with open arms, smiles, hugs, and a welcoming spirit. I watched as she met and fell in love with Jim at church , it was a beautiful thing to behold. She will be missed greatly by all who knew and loved her. may her loved ones find peace in knowing she lived her life for GOD and her family" well done my friend" rest in peace.
