November 24, 1987 - November 26, 2022

Daniel Lucas Oxford

November 24, 1987 - November 26, 2022 Daniel Lucas Oxford passed away Saturday after battling cancer like a warrior in Walnut Creek. He was born in Martinez and was raised in Benicia where he called home. As a kid he participated in soccer, baseball and track. In high school he participated in musical theater where he fell in love with performing. He graduated from Benicia High School and for many years travelled across the country performing with his friend Jeffree Star on Warped Tour before settling in Las Vegas where he worked for Britney Spears and also worked as a very talented make-up artist for years. Daniel was an inspiration for those who felt they didn't fit in or have a voice and was a beacon of light to them. He was a member of The Colon Club and advocated to get people of a "younger than recommended" age to get screened for colon cancer. Daniel loved life and lived it to the fullest.

Daniel was preceded in death by his father, Arnold Daniel Oxford and his beloved grandmother, Mary Elizabeth Torpey. He is survived by his mother Mary Adams, Aunt & Uncle Tami & Mark Pangelina; sisters Melissa Jenkins and Brandi Adams, nieces and nephews Aaron, Mikah & Jazmyn Jenkins, Stevie Frazier and Austyn Adams, his brother from another mother Jeffree Star and his beloved cat Queen Elizabeth and many aunts, cousins and friends throughout the country.

Daniels style was bright fun colorful outfits so feel free to express your colors in your outfit of choice.

Donations to The Colon Club in honor of Daniel can be sent here:

Funeral services will be held 10:00 a.m. Saturday at Passalacqua Funeral Chapel. Burial will follow at Benicia Cemetery.

“ *Daniel was such a wonderful person. We worked together in Las Vegas at ULTA, and we had many fun days together. We would walk to McDonald's, and he was always with his mom and his niece Jazmyn. He loved his family so much💕 He was a sweet, fun and mischievous friend with a wicked sense of humour. I'll always remember our telephone chats and laughs.*

No more pain and suffering Daniel 💕💕 fly free! Love and condolences to his family.

“ Daniel is the most special kindest human. We are so so lucky to have him in our family.
He was always the leader of the adventure for all the kids.
His smile at Holliday was so bright and happy. We had so much fun as a kid with him on a trip from Oregon an adventure trip. Such a great time in Vegas hang in laughing outside Britney show him telling me you better go back you’ll miss it , me telling him, no we’re having more fun with you. You will be missed more than you know.

“ I went to highschool with Daniel, he was a year older than me and we shared mutual friends. He was a FORCE, his presence felt in every corner of every room he entered. Always unapologetically himself in every way possible. He set the precedent for us queer kids to be ourselves out and in the open, without fear or shame. Rest in Paradise brave beautiful soul.

“ *I never met Daniel in person, I only knew him through instagram. I recently lost both of my parents to cancer and had never experienced the disease before that. Through messages Daniel helped me understand what it was and what they were going through, all while fighting his own battle. He was a genuine person, so full of life and light. His passing weighs heavy on my heart. I am not sure I will ever understand why good people leave so soon but I know that he will continue to shine his beautiful light from above. My thoughts and prayers go out to his family and friends.*
