Daniel Patrick Stewart, born December 31st, 1967, raised in San Carlos and latered resided in Vallejo, California. Passed on through the pearl gates of Heaven, December 29th, 2021, due to an unexpected heart attack. Daniel was known by many as Dan, Danny, Dano or some might recall him as Cowboy. He also can be known to family as an amazing loving and caring Son, Brother, Dad, Grandpa and more. Dan worked as tow truck driver for Wiler's Tow for many years making lots of amazing connections along the way until he later became a street sweeper for Fairfield, Napa, and Benicia cities doing the graveyard shift and making even more amazing friends. He also loved becoming apart of his motorcycle club the Richmond Ramblers enjoyed hanging out with the guy and going for long rides through the coast. He was loved by many and had deep connections with just about anyone he had a conversation with. He lives on through his Mother, Sharon, his Father, Jay, his sister, Jamye, his daughter, Betty, his grandchildren, Brodie and Baron, and the love of his life Gail, who gave him new meaning to life in the years they spent together and kept him laughing everyday. He touched so many souls, made a great difference in all of our lives, he was truly an angel on earth. We are all so fortunate to have had the chance to meet this kind soul and will forever be missing you!
