No Thanksgiving deep fried turkey will ever be the same, as Darryl was fond of preparing two birds – one a test subject which usually ended up charred, but tasty.

Darryl worked in a variety of jobs, but particularly enjoyed his time as a tow truck driver, often performing one of his favorite duties, “the hook and book.”

Darryl played several seasons of softball in both the Male and Co-ed Concord Softball leagues, and was on several championship teams. (Battle scars included a broken arm from a collision with a tree while catching a fly ball). He also was a softball referee for the City of Concord.

A Celebration of Life Service will be held on Saturday, December 14 at 1 p.m. at Vinnie's Bar and Grill, Concord.
