“ *Several years back, Dave came to play guitar for a group of inner city kids who performed flamenco dance for their school's year-end celebration. It was a very hot day in June and Dave drove all the way out to Oakland to play Tangos guitar for a performance that lasted 8 minutes max. We hadn't rehearsed prior, but Dave was super cool and just followed along with the dance and did a great job! He played through it all with a smile and the kindness that was just him all the way around. Thank you again Dave, and we'll miss you.*
