“ *On behalf of St. Dominic's Catholic Church, Benicia, CA and the religious education community in which Debra taught our 3rd grade students, we extend our deepest sympathies to the Neal family. Debra's passion to bring the joy of faith to young eager hearts was truly a witness to her generosity and her faith.*

“ When Debra and I were in elementary school we would go to a soda shop called Max's soda shop for lunch. I would run ahead to get us a seat and order our lunch. I would always put a smiley face on her hamburger to make her smile and she always did.
To kind of quote the great and wise Dr Spock.
I have been and always will be your sister!
I will miss you everyday. Tell mommy I love her!
I love you, tracey

“ When Debra and I were in elementary school there were times we could go to a local soda shop for lunch. I would run ahead of her to get her hamburger and fries and a seat. While I waited I would put a smiley face on the hamburger to make her smile. She always did.
To kind of quote the great Mr Spock: I have been and always will be your sister. I will miss you everyday of my life. Say hi to mommy for me!! Love you tracey

“ *My heart goes out to Mark & Wyatt as well as the rest of Debra's family. She was a special woman that loved her husband and son dearly. Please know that I will miss her. I remember when we met and what a great friend she became. Always hold the good memories of her in your hearts. Rest in peace, Debra.*
