“ *I will always have a soft spot in my heart for this kind man. On the day my Mom died I was notified at home by a phone call. My Dad had gone to wake her up to go to work and she had died in the night. It was probably 45 minutes to an hour before I got to my Parents house. My Dad was in shock and Dennis had stayed with him so he wouldn't be by himself What a compassionate man. His kindness will never be forgotten. Thank you Dennis*
