“ Uncle Mark, Stacey and family, Ryan and family, I am so sorry for all of our loss. Aunt Dorothy was an endless source of fun, loving, great cooking, energy! I'll forever treasure our many holidays at your house and one day hope to emulate them as my family grows. I think of Aunt Dorothy every time I hear the song 'Come On Eileen.' She was driving Stacey and I to your house when we were teens and that song came on as we were going down a hill in Benicia. I remember her giggling, tapping the steering wheel, dancing and singing along in the drivers seat and it was just so Aunt Dorothy! When I hear that now, I'll happily say 'Hi Aunt Dorothy!' Sending you all love, prayers and hugs.

“ Judi and family, I am so sorry for the loss of Dorothy. I am beyond shocked, since I just saw her in Saturday for the first time in several years. I was thinking how nice it was to see her. Judi, you were such a good sister to Dorothy, may she Rest In Peace. Such a lovely lady that will be sorely missed
