

Dustin W. Farnsworth

September 10, 1980 - March 19, 2015

Dustin W. Farnsworth, 34, passed away unexpectedly at his home. He was born in Valencia, California and has lived in the Benicia/Vallejo area all his life. He was a Graduate of Benicia High School, Class of 1999.

He played baseball as a youth including traveling to China with a USA team. He loved sports of all kinds- baseball, basketball, fishing, golf, NASCAR and was a huge fan of the Pittsburgh Steelers. When he played baseball, he was practically impossible to catch on the bases and as a centerfielder, he could catch anything. He also loved fishing with his "Gramps". He had a heart of gold and will be dearly missed. Rest in Paradise, my sweet baby boy.

Dustin is survived by his mother Catherine Wolfe; father Sheldon Farnsworth, sister Katelyn Wolfe, aunt Vikki Tucker and his grandmother Patricia Tucker. He was preceded in death by his brother Nicholas Arena and his grandfather "Bud" Tucker.

Visitation will be after 4:00 p.m. Friday followed by Memorial Services at 6:00 p.m. at Passalacqua Funeral Chapel.

“ Dustin aka "Lil man" or as uncle Dave used to say "Downtown Datsun" he had many nicknames but will be remembered as a loving brother too me with a heart of pure and solid gold. We Shared Many memories. The best ever ws I would baby sit and play hide n seek I would scale the hall walls and we played in the dark and they would look for days and I would call his name as he walked right under me. It used to drive him crazy and he would never quit. That's how he was Dam kid. I'm gonna miss you more than any word's could ever be written or spoke.RIP WITH OUR BABY NICK.

“ Three deer came to my house the day you left us, the just stood there and stared at me for awhile. The deer have not been here in months, so it was a shock to see them. In my heart I think God sent me a message, that you had found your brother and gramps and are all together. I will always remember that sign and hope you have found peace with no more pain, and you are with your family. Till we meet again. I will cherish all the memories I have of you. You will be truly missed by so many people. Rip and I will always remember that great smile you have.

“ First off, condolences to the Farnsworth family. I knew Dustin since little league and played ball with him throughout little league, babe ruth and on to high school. He was the fastest kid out there and I was always trying to get faster so I could be like him on the base paths. One of the best memories I have is from 1997, our Sophomore year in high school. He had his rancho and we cut class aka took an extended lunch to go over to Vallejo to buy some cd's from the Warehouse. The last time I saw Dustin he was in good spirits and hoping to get back on the softball field and play some ball. I still can't believe he is gone. Rest in peace my friend.
