“ *Susie several months ago you gave me a silk butterfly, I did not ask you what thr butterfly ment. If it was to help you with your pain. You asked me to put it in or on your casket. I will do so. I hope your daughter made peace with you before you left us. You were a good wife, Mother, and grandmother, and Mother in law. And a friend to many. Susie you were more like a sister to me tthen a friend. Love you always until we meet again. Patricia Estment, Wyatt*

“ 12/01/2018 - Mom, we may not have always agreed on many things in the 69 years (my infancy to my old age) we were together but I do know above the Girl Scouts, school Homeroom party giver, and loving mother and then below the illnesses, teenage disagreements, and misunderstandings we did and always will love each other. You are now back with Daddy, Dayawna, Donald, Grandma, Aunt Ann, Uncle(s) Johnny, Monroe and Bill, so I know you are very much surrounded with loved ones. I also know you are out of pain and once again happy. We will all miss you very much and one day all be back together. Your loving daughter, Loretta Ann Jackson Marchut.
