“ I am so sorry to hear of Esther's passing. Since I don't get online everyday I just now found out via postings on FB of her funeral. I am saddened and shocked; I truly have no words to fully express this heartbreaking news...

Esther and I attended St Cornelius together and became fast friends. Although we reconnected via FB we hadn't seen each other since 7th grade. That last time, however was a blast!! After 6th grade I had moved to another school. One year later Esther had a slumber party at her home and I was invited along with a few of our St. Cornelius' girlfriends. We had the best time. I still remember that I was the last one to go home the next day and Esther and I went for a walk in Pt. Richmond. It was so much fun!! We talked and talked and laughed (mostly about boys we liked at the time; after all we were young teens back then). Anyway, I had always wished that we had kept in touch over the years. I had thought of her often over the years. We finally reconnected after I signed up for FB 8 years ago. I still wished that we could have met up again person to person but it never happened. My loss and my regret now.

Although I never met your husband and sons, dearest Esther I know that they are wonderful people because of you. I wish them my love, good thoughts, prayers and blessings and hope that they can find the comfort and peace that they need. I also wish you the same. I know that you are in a beautiful and loving place and will continue to watch your loved ones from Above. Safe journey, Sweetheart!! You will be missed but you are so loved!!!
