“ Mary and Anna, I have so many fun memories of Little Gene and both of you girls. We sprayed each other with the water hose, played marbles, jumped rope, and made skate boards from wood and broken metal skates. I was playing tag with Gene and ran out of the house, closed the glass storm door and Gene busted right through the glass. Of course we got in trouble. My heart is breaking for all the families and I will keep y'all in my thoughts and prayers. Much love to you both, Aunt Vivion
