*To all of Gail's family,
I have so many happy memories - the times we went gambling, the Friday nights we did crafts at my house. She had a wonderful sense of humor and always made you feel welcome. She loved her family very much and was a good friend. I am so grateful I knew her. Deepest Sympathy.*

*I've known Gail since I was 5 years old since her daughter Karrie was my best friend. I spent many times at the Wells house. It always made me happy to be there. I loved Gail and Jerry like they were my own parents. They will both be missed, but are together again. Sending prayers that this family gets through the sadness of losing a wonderful Mother and grandmother. Love you all
