

Gary Earl Cady

February 23, 1936 - June 5, 2026

Gary passed away on June 5, 2026. He had a long and blessed life--he felt one of his biggest accomplishments was being a dad to Darla and Gary Ted. Gary was born and raised in Spokane, Washington until he joined the U.S. Navy from 1954 to 1958. When he was stationed at Mare Island, he met and married Virginia Saitz in August, 1958. Benicia became home and he and Virginia raised Darla and Gary Ted in Benicia. He loved being a Girl Scout dad and coaching his son's little league and soccer teams. He went on to support Benicia High's soccer, basketball and tennis teams.

He had a busy life as a Benicia P.D. reserve and 30 years working for I.B.M.. After retirement, boredom set in and he became a car salesman for a brief time.

Gary and Virginia traveled the world with driving tours, flying and taking cruises with good friends: Jim & Barb, Dick & Diane, Nina & Allan, Muggins & families. Meeting Colleen & Jack in New Zealand was a highlight trip.

Wonderful friends, wonderful memories.

In the twilight of Gary's life, he joined S.I.R.'s and again, got a lot of enjoyment playing golf and co-ed Bocce Ball with great Benicia people.

There will be not formal services, interment will be at St. Dominic's Cemetery with our daughter, Darla, Bill and all the Saitz relatives.

He was predeceased by his mom, dad, beloved daughter, Darla & Bill and many Saitz family members.

He is survived by his wife, Virginia, son, Gary Ted, sister Gail and many loved

nieces & nephews, good neighbors and long time friends. Special thanks to
G.T., LuAnn & Karen.

You were loved!! Till we meet again.
