“ *Dear Louise and family, we were so sorry to hear about George, but thankfully he is at peace now. Our prayers are with all of you and may God give you strength and comfort at this very sad time.*

“ *Louise and all your loved ones.....George will be remembered more by my older sisters and brother.....he was in Jim's class....but nonetheless, another true "Benician" has passed from the scene.....and we look back to recall the families and friends of those special years we all shared. Our particular families DeLaFontaine and Precour go back pretty far -- and the Lambros were not too far, but a few blocks! I'm sorry to hear of his passing. I know his illness was hard on all of you as was your health problems. I just want you to know that our love and prayers go out to all of you at this time and we hope and pray there will be a special reunion upstairs for our families somewhere down the line! With my love, Marie Precour Earp*

“ *I remember George very fondly. He was a great guy.
My mom taught at Semple with Louise and my kid sister Nora was
great friends with Lori when they were kids.
My heart, my thoughts and prayers go out to Louise and the girls.*
