“ *Georgina and Ron were lifetime members of the Benicia Historical Museum at the Camel Barns. When the Museum was first started and years after, Georgina would help with the Christmas party and other events where she would work in the kitchen that was such a natural thing for her to do. I never met such a positive person even when things were not the best. She was so good to Ron through his latest illness and she was blessed with such a wonderful family. I will miss her.*

“ *To me Georgina never grew old. She was still that cute little teenage cheerleader who with such spirit lead BHS to Victory. Her smile lit up a room, she was friendly to everyone, very tactful. My husband Ed also class of 49 said Gerogina always laughed at his jokes no matter how many time she had heard them. Ron and Georgina were such a important part of our BHS lunches we were all sad when they no longer attended, but when that happeded I realized she now had more important things mainly her family that she was devoted to needed her. She leaves a void no one can fill.*

“ *What a beautiful memorial for a beautiful lady today! I can speak for all the kids in the old "Hood" when I say.....we all thought it was Ronnie that was whistling when it was time for dinner. I have nothing but great memories of the wonderful times in our childhood. The Rice family was a huge part of it.*

“ *I have many happy memories of growing up around the Rice household and Georgina was always so much fun to be around. I loved hanging out there as she always welcomed me as part of the family. Always quick to laugh and smile....we have all been so blessed to have been touched by her.*

With much love and prayers for my childhood friend Annie and all the Rices,

“ Georgina was a friend from the first time we met and has stayed a friend for over 70 years. Georgina always had a smile and a good word for everyone. Of all the Cheer Leaders in school she was the most energetic and charismatic. She and Ron were an integral part of the Tuesday BHS luncheon group and she will be deeply missed. Our deepest sympathy to all of her family.

“ It seems like just yesterday we were going here and there to lunch, or all us gals would be feted by our daughters for Mom's Day.....and now we say goodbye. She was a wonderful soul inside and out - and a dear friend. To Annie and all her loved ones, please know that we send our love and prayers for your comfort. Your special memories will stay with you forever!
