“ *Grandma,*

There are many things I would love to share with people about you. You were gracious. You always said thank you! You were kind, you always put others before yourself. You never rejected anyone. You responded to adversity with love. You were forgiving. Your capacity for forgiveness floored me time after time. You were loyal, your actions define the very word. You were faithful in a world filled with doubt. You had a great sense of humor and could laugh at yourself. You were meticulous and made sure things were done right. Most of all you loved unconditionally. I am so thankful for all you did for me and am completely blown away at how lucky I was to have you as a Grandma. We love you!

“ *My thoughts and prayers are with you all. Gertie was a wonderful lady. When I think of the many years my parents (Ron & Sandy) lived on Raymond Drive, so many memories there have Gertie in them. I will always remember her smile, her spirit, how much she loved our family and how much we all loved her! It is comforting to know that she is at rest in His Kingdom. God Bless. Much Love,*

“ Art and family, Our deepest sympathy in your loss . Our loving thoughts and prayers are with you and family. The memories of those we love, remain with us always. I have many fond memories of Gertie. She was a good friend and neighbor and we enjoyed our Friday lunches and trips to the Mall. I was happy I was able to talk to her a few days before her passing. She is at peace now. May the perpetual light shine upon her.
