“ Rest in peace aunt Gwen. You are well loved and fondly remembered. Thank you for letting us crash your cabin on occasion and for all those free samples from your booth long ago. With love and respect. -kev

“ Aunt Gwen, God Bless your beautiful soul. Tell Grandma Lou hello and rest in peace. In Jesus name.

“ I'll never forget while a young kid camping running out of milk for cereal, so got some from aunt Gwen. Skim milk, had never heard of it until then, never made that mistake again. God Bless her Soul.

I'll never forget how close together she kept her skis even in moguls. And the good ol' van trying to keep up with her awd Subaru through the snow. Uncanny. You are well loved and dearly missed. Muah! 🥰
