“ Wishes of deepest condolences to all of our family members during the struggles of sorrow on our loss of Edward. Edward although We were separated by miles I know that you were and awesome father to your girls. I have spoken with many of my friends and acquaintances of yours that portray the same of you. Your values on life and accomplishments that came from your father and mother would not let you be otherwise. Although you were taken from us abruptly you will be missed greatly however never forgotten. I will cherish the memories of you climbing the tree and breaking both of your wrists protecting yourself from the fall, as well I will remember the many times we headed up the creek next to the house in search of the glory hole with all the Rainbow Trout. I remember the times down at the old fire station hole hoping to land a Salmon on a cold rainy day that just seemed perfect . Or our many times down on the Eel River fishing or swimming. Yes Nephew you will be missed. RIP Eddie. Gods Speed. Love Uncle Ron and family.

“ *I was Paige and Sarah's preschool teacher (Teacher Teri). I knew Ed and DeeDee through contact with them as they would drop off and pick up the girls from Happy Hearts. Ed was an amazing father and one of the nicest men I have ever met. His children were his life and he was always smiling and involved in all their school activities. I could tell how proud he was of those sweet beautiful girls. To the family: you are in my prayers and so sorry for your loss.*
