“ *Holly,*

What a lovely and giving woman. My memories of her band mom days are so much more than I could put into words. I'll try. The commitment to the Benicia Unified band program was incredible. Hauling equipment, organizing uniforms, her love for the students, she was one of the most invested parents, (and Bill) in the many years that she had children in the program. So many years, and always with a smile on her face. She was the ultimate band mom and gave her whole heart to it.

She will be missed, she will be remembered, and loved.

*I'm so sorry to all her family,
Kim and Emily Edwins*
