Ian Scott, 44 of Benicia, CA died on September 13, 2011 of natural causes in Las Vegas, NV. He was born on September 14, 1966 in San Francisco, CA to Michael and Izetta Scott of Benicia, CA. Ian is survived by his parents, his brother Dwayne and Dwayne's wife Lanie, his sister Michela Scott, his niece April Scott and nephew Jayson Scott. He was a wonderful, thoughtful and supportive son, brother and uncle to us all. His presence will be greatly missed.

Ian has touched so many lives with his spirit and many talents. Ian in his middle school years was an altar boy at St. Dominic's Church in Benicia. While attending Benicia High School, Ian was a member of the marching and jazz band as a drum player. He was also a cadet in his teenage years. Ian graduated from Benicia High School and went on to extend his education at CSU Sacramento. Ian graduated from CSU East Bay with a B.A. degree in Sociology. He worked at the Contra Costa Times and ran a side business as a DJ doing karaoke. He spent most of his Friday nights working at Dallimonti's in Pleasant Hill providing entertainment through his singing.

Ian enjoyed the company of his friends and family, he believed in living life to the fullest. He loved to sing and play pool but was most happy when he was able to make people smile. He is described by his friends and family as warm, kind and gentle soul with a soothing voice. He was always encouraging, generous, fun-loving with compassion for everyone no matter how brief their encounter in his life might have been. He will continue to be the angel in

heaven as he was to so many here on earth. We are all blessed Ian was a part of our lives and will be missed dearly by all.

“ *Ian was a true friend. He was really there for me when I needed a friend the most. I was going through a terrible break up after a long relationship and Ian was there to literally pick me up. I will never forget his kind heart. Love Ya and God bless Ian. Michelle Purdy Hollars.*

“ *Ian was one of my best friends throughout Jr. High and High School. There are so many strong memories and good times. We saw many movies together and went everywhere in his blue van, played soccer together for several years, played air guitar & air drums while singing to lot of songs by Journey, talked and talked and talked about life, girls and school. He was a true friend, someone you could count on, talk to, have fun with and just be around. Just like his picture on this page, he brought a smile to everyone's face, was always encouraging and supportive and was rarely down himself. I am happy that I found him and got back in touch with him a few years ago, and talking to him on the phone was like time had never passed. Thanks Ian for being a true friend and I will always miss you. Rest In Peace Brother.*
