“ *Wow, Mr Ducharme I wish to thank you where ever your spirit is now resting for the opportunities you allowed for me and also for all the many laughs and good times. Truly a man of real character. I can remember the night I moved into my place and you stayed till well past 11:00 PM helping move all the stuff I had moved from out of state. Some of the greatest laughs will remain in our spiritual world and until we cross again happy journeys. Susan and Michael my true condolences to you and your grand children and kids.

“ Jim hired me at Pitney Bowes in 1981. He was not only my sales manager but he became a very good friend. I spent time with him and Susan when I visited Oakland and I will always treasure the time. He was a very caring person. I send my love to Susan and Michael at this sad time.

“ Susan--
Jim was a great person. I am happy to have known him for the past 5 years.
I admired his ambition to take on projects & follow-up for results that benefited our condo complex. He cared.
I will miss him.
My best to your family.

“ Dear Susan,

We are so sorry to hear of Jim's passing. He was a good man, father, grandfather, friend, and colleague. Both Bill and I enjoyed working with Jim at Pitney Bowes, and social gatherings with you both in Texas and Nevada. One of his special gifts was telling "his stories and his jokes."

Our thoughts and hearts are with you and your family at this difficult time.

May God comfort you and your family.

*With prayers and deepest sympathy,
Bill & Diane Hoeschele*

“ Susan,

I was so sorry to hear of Jim's passing. We will miss him greatly up here where the eagles hang out. I hope he really knew how much we appreciated all the time he put in and all the concern he had for Lighthouse Pt. I was glad to see that he especially enjoyed spending time up here - we always had him at his best!

My thoughts are with you and your family at this difficult time. Please let me know if there is any way I can be of assistance to you up here.

Warmest condolences,

Lowell

“ Susan -

We received the news today of Jim's passing from our Seattle neighbor Jennifer.

Please know that our thoughts are with you and your family. We are sincerely saddened to receive this news and did not know the state of Jim's health to the extent his was stricken these last months. And while I did not know him as well as others in our condo community -- I knew him to be a solid person - who cared about others ... and so bright too. He was a good man.

We are so very sorry and our thoughts and prayers are with you, your children and grandchildren.

*Take good care and be well.
Prayers.*
