“ *My heart is broken to hear of Jim's passing. I only knew Jim for about 8 years, but we became fast friends sharing our interest in making our fortunes in the forex market. We were able to lift each other up when one of us became discouraged with our fortune hunting, attended conferences together along with Joan and shared many lunches comparing ideas.*

Jim and Joan were always so kind to me, friendly and generous. My attempts to reach them the last couple months were not successful, unanswered phone calls and emails.

Conversations with Jim could go any direction and I always listened carefully, his ideas and opinions were so valuable, a mix of intelligence and experience.

I am so grateful to have known him the short time I did. My heart goes out to Joan and his family.

May he have found peace and comfort.

With love,

Janet Morris
