KA

I met this incredible woman when I was just 16 years old. She “rescued” me from a very abusive home life and took me in as her daughter. She never called me her daughter in law it was always my daughter. Over the 33 years I was married to her son we had some pretty rough times but also so so many good times. Janice was extremely generous and cared for her family immensely. She will be missed by so many . Thank you Janice for always being there for me even when you were mad at me. You never abandoned me even in rough times and even after our divorce. My prayers go out to her family , to my father in law John and my ex husband Rick. Also to my children who she loved more than anything . ❤️
